ABOUT NIZAM COLLEGE

Nizam College is an autonomous, constituent college of Osmania University, located at the center of Hyderabad. One of the premier colleges within the fold of Osmania University, Nizam College celebrated its 100 years of academic excellence in 1987. It was established in 1887 by the amalgamation of the Hyderabad School (Noble School) and Madarsa-I-Aliya. Initially it was affiliated to the University of Madras for 60 years and was made a constituent college of Osmania University on 19 February 1947. In view of its consistently high degree of academic performance the college had been granted 'Autonomous' status by the University Grants Commission (UGC) in the year 1988-89 at undergraduate level and continues to enjoy this status. It is also N.A.A.C accredited and has been given CPE (College with Potential for Excellence) grant by the UGC.

ABOUT HYDERABAD CITY

The sixth largest city in India, Hyderabad is the capital of the newly formed Telangana State. There are excellent places to visit like Charminar, Golconda Fort, Salarjung Museum, Birla Mandir, Taramati Baradari, Qutub Shahi Tombs, Mecca Masjid, State Archaeological Museum, Nehru Zoological Park, Shilparamam, Hussain Sagar Lake, Chow Mohalla Palace, Hyderabad Botanical Gardens, Ramoji Film City, Cyber Towers etc. There are good Educational Institutions in Hyderabad like Indian School of Business, Tata Institute of Fundamental Research, Centre for Economic and Social Studies (CESS), Marri Chenna Reddy Human Resources Development Institute, Indian Institute of Technology etc. Weather during the month of November would be very pleasant in Hyderabad.

ABOUT THE CONFERENCE

Commerce and Science streams are like inseparable Siamese twins in academics and business activities. Numerous research works have been undertaken in these areas which brought in multifarious innovations that made human living comfortable and business processes effective. This Conference is a small and humble effort to explore the innovations that have been made in Commerce and Science during last decade and the impact of such innovations on human living and business processes.

This interdisciplinary conference on Commerce and Science aims to bring together the faculty, researchers, scientists, engineers, stakeholders and practitioners of the industry and students to exchange and share their experiences, new ideas and research results related to aspects of innovations in commerce and science. Broadly, the main themes are:

TRACK	THEME
Track – I	Innovations in Commerce
Track – II	Innovations in Chemistry
Track – III	Innovations in Physics
Track – IV	Innovations in Botany
