Two Day National Seminar On

“Role of Make In India: Global Entrepreneurial Development and Bio-Technology”

on

March 23rd -24th, 2020

Department of BBA and Bio-Technology
Nizam college (Autonomous): Osmania University
Basheer Bagh, Hyderabad,
Telangana-500001

The Nizam College

Established in 1887 by the amalgamation of Hyderabad School and the Madarsa-i-Aliya, Nizam College is one of the oldest and most esteemed institutions of higher education in South India. It was made a Constituent College of Osmania University on 19th February, 1947. The college received the status of the CPE both under the X Plan and the XI Plan periods.

Department of BBA

The Bachelor of Business Administration BBA course was introduced in Nizam College during the Academic year 2013-2014. This course is on par with any other degree course offered in six semesters and the course is exclusively offered for Foreign Students by the Osmania University.

Themes of the Seminar

- ❖ Current Status of Bio-technology in Global entrepreneurship.
- ❖ Role of Entrepreneurship in economic development.
- ❖ Role of support institutions and management of business.
- ❖ Entrepreneur contributes to social development.
- ❖ Challenges and opportunities in Global Entrepreneurship.
- ❖ Women Entrepreneurship and Entrepreneurial Motivation.

Department of Biotechnology

Biotechnology course was introduced at B.Sc. level in 2002 as a Self-Finance Course. The department has received UGC-BSRG grant in 2007-08 and financial assistance from DBT during 2009-10 under "Star Status Scheme". The department has established a well sophisticated lab with the major grants from UGC-BSRG, DBT allocated funds from CPE-XI plan, 12B, Annual Autonomy Grant and Self-Finance Grant etc.

About Hyderabad City

Hyderabad, the Pride Crown Capital of Telangana State, traditionally become an enviable global hub for pharma, vaccine, drug, Agro-seed and healthcare research and has a rich talent pool, enabling seamless forward & backward linkages/ integration for product development including talent acquisition, clinical development and translational research.

About the Seminar

India is becoming an entrepreneurship model for the world. Make in India was Launched by the Government of India on 25th September 2014 to encourage companies to manufacture in India. The campaign was majorly designed to facilitate investment, foster innovation, protect intellectual property and build best-in class manufacturing infrastructure for the aspiring entrepreneurs. The Conference will bring the knowledge to "Make in India will affect the young entrepreneurs in a very positive way, and will bring an attitudinal change the perception of the world towards India in healthcare, medical, pharma and Biotechnology Sectors.
