

2013-14

Training and Placement Cell

Annual Report 2013-2014

Campus placement center organized placement programmes and 117 undergraduate/postgraduate students were selected by the companies like

- Wipro Technologies
- Sony India Pvt. Ltd.
- ADP
- Cognizant
- MRF
- South India Bank
- Madin Life Sciences Pvt. Ltd.,
- Chaitu Chemicals

during the current academic year. Further the companies such as

- SBH
- Yamaha
- IDBI

have provided internship to some of our UG and PG students. The center also organized Skill Development Programs in collaboration with Pragathi Youth Development Association.

The process began in September with invitation to companies visit the institute for pre-placement talk and provides their job announcements. On average 280 candidates appeared for each of the companies and total 117 candidates were recruitment this year.

Seeing a study growth in the recruitment in these companies Placement and Training Department started communication classes for graduates. There is good number of participation from students.

Placement office through campus placement has made a notional contribution to the institute.

Training and Placement Cell

Nizam College

Annual Report 2014-15

Unlike general atmosphere of uncertainty due to global economic slowdown, in fiscal year 2014-15, the recruiters have continued to show positive interest in our students. Campus placement from September 2013 and 2014 saw participation from globally renowned companies like

- WIPRO
- Genpact
- MSN Laboratories
- ADP
- MRF
- Madin Life Sciences Pvt. Ltd.,

and National Level Companies like South India bank. These companies carry the reputation of being very selective in their choice of campuses and of having extremely high standers in their recruitment process.

The process began in September with invitation to companies visit the institute for pre-placement talk and provides their job announcements. On average 310 candidates appeared for each of the companies and total 149 candidates were recruitment this year. Nizam college is also a active member of JKC (Jawaharlal Knowledge Centre).

We also send students to campus pool arranged at various colleges where companies

- Cognizant
- TechMahindra
- Mphasis

Conducted job fair. Through this students had fair knowledge of competition out in market and skill sets to be improved. We also conducted AMCAT (Aspiring minds computer aptitude test) Exam, where 100 students appeared for Exam. The purpose of the test is to gauge employability for various industrial sector and job profiles.

Nizam College also encourages students to participate in internship and training program where they can have real time experience of organizational structure. Companies visited

- Sony Pvt. Ltd
- SBH
- Yamaha
- IDBI

for all UG's and PG's. 35 students from MBA have successfully completed internship.

Free training in collaboration with Pragathi youth development association sponsored by NSDC, a national level program for skill development among youth was conducted. Every year we conduct at least 2 seminars on

Communication skills and Personality Development and also seminar on Career Scope after graduation.

Seeing a study growth in the recruitment in these companies Placement and Training Department started communication classes for graduates. There is good number of participation from students.

Placement office through campus placement has made a notional contribution to the institute.
