Preface

Nizam College, established in 1887, is one of the oldest institutions of higher education in Telangana. It is spread over 20.47 acres with sprawling grounds. Nizam College is a co-educational institution catering to the educational requirements of urban, rural, and international students.

The founder Principal was the eminent personality, Dr. Aghorenath Chattopadhyay, D.Sc. (Edin.) father of well-known personalities: the famous freedom fighter Smt. Sarojini Naidu, the Nightingale of India, and Dr. Harindranath Chattopadhyay, poet, playwright, dramatist, and actor. It came into existence through the amalgamation of Hyderabad School (Noble School) and Madrasa-I-Aliya. Mr. P. H. Hodson was its first British Principal. Initially under the Madras University, it became a constituent college of Osmania University on 19th February, 1947.

The College was conferred Autonomous status for Undergraduate Courses in 1988-89. All the PG courses are under the parent university, Osmania University. The institution was awarded the status of College with Potential for Excellence (CPE), Phase I in 2004, Phase II in 2010, and Phase III in 2014. Star College Scheme by the D.B.T. in 2009 MHRD-UGC BSRG Phase I and II are significant milestones in the evolution of the institution.

The College is in third cycle of NAAC Reaccreditation. The First cycle of NAAC Accreditation was in 2005, second in 2012 and third was in 2018 and very soon we are going for the next cycle of accreditation.

The College has introduced Choice Based Credit System (CBCS) from the academic year 2015-16 for all the Under Graduate Courses as per the directions and guidelines of UGC. Since 2016 the UG admission procedure is through online process DOST which is an initiative of Telangana government to ensure transparency and accountability in the admission process. Prior to 2016 College abided by the UGC guidelines and also the state government rules and regulations with regard to admission process. From this academic year a new program BBA in Retail Operation has been introduced and Two new courses B.A Honours (Economics) and B.Sc. (Maths, Statistics, Data Science) were introduced in the academic year 2021-22. Nizam College has started Girls hostel in the Academic Year 2022-23. It has got NIRF ranking with the band width 150-200.

Vice-Chancellor's Message

Higher education scenario globally has witnessed a significant change in approach and a remarkable growth. Higher education in India too, has readily adapted to the global demands and every institution has geared up to meet the global challenges by harnessing the latest technologies on the education front.

The move towards inter-disciplinary studies, research based and interactive learning with technology integration have opened up several options as well as created multiple challenges. In the wake of privatization of education on increase in India, the major focus is on creating an optimized and vibrant platform for quality in knowledge enhancement and bridging the gap between academia and industry with an objective to build up core competence in students integrating knowledge with skills on the foundation of ethics and values.

Highly experienced and qualified faculty members, continuously engaged in the maintenance and enhancement of student-centric learning environment through innovative pedagogy, form the backbone of the college.

All the programs offered by Nizam College follow the Choice Based Credit System (CBCS) with Outcome Based Approach. The flexibility in the curriculum has been designed with industry-specific goals in mind and the educator enjoys complete freedom to appropriate the syllabus by incorporating the latest knowledge and stimulating the creative minds of the students.

The entrepreneurial zeal of the students is encouraged and nurtured by our faculty. As the Vice Chancellor of this prestigious institution, I am proud to say that we have dedicated ourselves to excellence in research, teaching, and innovation.

I strongly believe Nizam College is marching ahead in the right direction, providing a holistic education to the future generation and playing positive role in nation building. We reiterate our endeavour to provide an environment for the growth of over-all personality development leading to generating “Global Professionals”.

Principal's Message

Being a prestigious and historical college, Nizam College has always stood as a symbol of academic excellence, fostering growth and providing a nurturing environment for our students to flourish.

At Nizam College, we believe that education goes beyond the confines of textbooks and classrooms. Our institution is a melting pot of diverse cultures, ideas, and aspirations, where we foster holistic development and encourage intellectual curiosity. Our dedicated faculty members are committed to imparting knowledge, instilling critical thinking, and nurturing talents, aiming to shape well-rounded individuals who will make meaningful contributions to society.

The college offers a multitude of resources, ranging from state-of-the-art facilities to an extensive library and various extracurricular activities to aid in your personal and academic growth.

The college administration has taken all necessary precautions to ensure a safe and secure environment for your studies as your well-being is our utmost priority. While education and learning is a continuous process, the continuum of education learning is a significant issue in the contemporary times. We have moved from a world of globalization to digitalization.

Another important aspect of your learning is the vital changes made in the fabric of Education System with NEP 2020. We are aligning ourselves to the renewed vision and principles of NEP that aims to provide World Class Education at your doorstep.

I am sure that you have forged friendships, collaborated with your peers, and actively engaged in the vibrant college community activities. Your participation in clubs and events that aligned with your interests, I am sure offered you invaluable opportunities for personal growth, leadership development, and lifelong friendships.

Wishing you all success in your exams and life-long learning!

**Warm regards,
Prof. B. Bhima
Principal, Nizam College**

Vice Principal's Message

“Education is the most powerful weapon which you can use to change the world”

– Nelson Mandela

The true goal of education transcends from just awarding degree and certificate to the students, it also ensures an all-round drawing out of the best in student and the discovery of the meaning of life.

We at Nizam College follow the true spirit of education by letter and spirit. We are committed to impart quality and value based education and to continue as a centre of excellence in education and research consolidating our position as a reputed institution of higher education in the country.

I am proud to be a part of the family of Nizam College which is one of the oldest and most esteemed institutions of higher education in South India. The great personalities, entrepreneurs and celebrities who studied here sing the glory of Nizam College. I wholeheartedly wish all the Nizamians

Dr. G. Upendar Reddy

Objectives of Nizam College

- To give each student a meaningful, learner-centred classroom experience in an institution which is a symbol of excellence in higher education.
- To impart quality education in all the fields of study so as to make the students acquire in-depth knowledge of their chosen subjects.
- To help students make the transition from technical competence/ theoretical knowledge to acquiring a practical/experiential dimension of learning and application to real-life situations.
- To enhance various skills in the student offering interdisciplinary papers and offering choice to select elective papers in their respective courses.
- To ensure all-round development of the students' personality and bring out the perfection which each person has been invested with.
- To make the students competent to survive in the world of challenges once they complete their course.
- To transform the students into mature individuals and true global citizens.

Internal Quality Assurance Cell (IQAC)

Internal Quality Assurance Cell (IQAC), Nizam College was established on 25th June 2011. As per the guidelines of the National Assessment and Accreditation Council (NAAC), IQAC performs diversified functions with a core focus on improving the quality benchmarks in various aspects of academic, research, and administrative activities and functions of the institution.

Since quality enhancement is a continuous process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent, and catalytic improvement in the performance of institutions. The IQAC makes a significant and meaningful contribution to the post-accreditation phase of institutions. During the post-accreditation period, the IQAC will channel the efforts and measures of an institution towards academic excellence.

IQAC gears up for the submission of the next cycle of accreditation. Against the backdrop of the NEP 2020, IQAC has a tremendous role to play in initiating reforms in teaching, learning research, evaluation and in introducing courses aligned to the multidisciplinary and interdisciplinary in nature and strengthening online courses.

The major achievements of IQAC for the year 2022-23 include the following:

- ISO certification for the institution.
- Gender Audit
- Administrative and Academic Audit
- Energy Audit
- Green Audit
- Green Campus Award
- Implementation of Performance Based Appraisal System
- Inauguration of Girls' Hostel
- Graduation day

Achievements and Awards of the Faculty

In the history of 136 years, College has seen many glorious achievements and momentous occasions. Despite the severe crunches we are currently facing in terms of finance and permanent faculty, that are in the purview of the Government, Nizam College did not allow them become crippling factors. Instead, with a spirit of optimism and determination we have worked hard and we have the following credits to place on record for the year **2022-2023**.

Mahatma Jyotiba Phule Jayanthi Celebrations 11-04-2023

India during the 19th century, Jyotirao “Jyotiba” Govindrao Phule was a well-known social reformer and thinker. Jyotiba Phule served as the movement’s leader against India’s widespread caste system. He fought for the rights of peasants and other people from lower castes and revolted against the Brahmins’ rule. Jyotirao “Jyotiba” Govind Rao Phule was a well-known social reformer and thinker. Jyotiba Phule served as the movement’s leader against India’s widespread caste system. He fought for the rights of peasants and other people from lower castes and revolted against the Brahmins. According to Phule’s biographer Dhananjay Keer, Vithalrao Krishnaji Vandekar, a fellow reformer from Bombay, gave Phule the title of Mahatma. Throughout his life, Mahatma Jyotiba Phule battled for the education of girls and was a pioneer for women’s rights in India. He is credited with founding the first Hindu orphanage for unfortunate children.

SAVITRI BAI PHULE'S JAYANTHI

Savitribai Phule, Jyotiba's wife, backed his efforts to guarantee women and girls the right to an education. Savitribai, one of the few literate women of her day, learned to read and write from her husband Jyotirao. Jyotiba founded a ladies' school in 1851 and invited his wife to instruct the students there. Later, he established two additional schools for girls as well as an indigenous school for people from lower castes, namely the Mahars and Mangs.
