

2022-23

One day workshop on Stress Management:

On 16th August 2022, Nizam College, Autonomous held an effective session on time and stress management with guest speaker, Dr. Nagesh, a senior psychologist from Bangalore. The session started off with Dr. Nagesh speaking about the attention seeking syndrome, where someone wants to be appreciated by others for being different than others. He then proceeded to talk about body language and how it sends us signals about our bodily functions and addictions. He talked about how our body gives us signs when we talk on the phone for too long, by making us want to touch something as we walk past it, etc.

Workshop on Successful Entrepreneurship

On the 6th of August 2022, Nizam College was honored by the presence of Mr. Uday Chaitanya Saamal, a renowned Entrepreneur. Who, in the Multimedia Lab, took up an enlightening session and threw an inspiring array of light upon the students whilst narrating the “developing stages” of his now successful life. The audience were very inspired and were highly enlightened, motivated. Their morale was built stronger than ever.

International Yoga Day

The International Day of Yoga :June 21 has been celebrated at Nizam college. International Yoga day following its inception in the United Nations General Assembly in 2014. An eve of International yoga day June 21 Nizam College conducted yoga to right practice.The session conducted by Dr T Venkat Rajaiah, Yoga Trainer.Nizam College has 3 NSS units which is very active.The Year 2022 yoga day celebrations conducted by Nizam college NSS units.As whole 80 members of NSS volunteers participated in Yoga day celebrations.we believe that is very beneficial for students Yoga is also helpful in calming the mind, and it is also helpful in showing the right attitude. Doing Yoga produces positive thoughts, and it also takes the mind to perform well in the interviews and also in their lives.In our college program good number of students faculty took active part. In this program NSS units conveyed special thanks to Prof Bhima, Principal, Nizam College Dr CV Ranjani,Vice principal, Dr Kishor Kumar, Coordinator,IQAC, Dr Renuka, COE Nizam College for help and active participation to make it fruitful and successful.

Communication skills, writing skills, speaking skills, soft skills were the few topics covered in the workshop. Dr J Madhavi, Coordinator ELTC, Mr. Srinivas Ambati, Coordinator, EOC, Dr. Parameswari, Dr. K. Kiran and others were the resource persons. Dr. Avinash Jaiswal, Vice Principal inaugurated the program. Joint Registrar Potdar spoke. Prof Gopal Reddy, the Registrar of OU gave a key note address. e- Certificates of Participation were also presented to the participants.

EOC organized an 'Awareness webinar on Civil services' in collaboration with 'Civil Services Academy' on 19th Nov 2020. Dr. Avinash Jaiswal, Vice- Principal inaugurated the session. Mr. Srinivas Ambati, Coordinator, EOC, coordinated the webinar. Mr. Sayeeddin, Chairman, addressed. Mr. Basheer Ahmed moderated the session. Dr. Himma Bindu, Coordinator, IQAC spoke on Self -Motivation as a guest speaker. She shared her own experiences in molding herself into a successful professor and persona. She was full of confidence and courage, clarity and vision. Mr. Sameer Ahmed Siddiqui (Civil Services Trainer, New Delhi) the Chief Speaker spoke on the topic of the Webinar. He was highly resourceful, paved a crystal-clear path for the aspirants with ease. Through his lecture, he has really hit the Bull's eye. He focused on the need of aiming for civil services, which is a challenging and charming profession for the youth to prove themselves in the highly competitive service o the nation. Teaching faculties, UG and PG students of the college participated and interacted with the speakers regarding the preparation of Civil Services. The session was an ice breaking one, and highly motivating for the civil services aspirants of the college. Dr. Mrs. Ayesha Siddiqui, Assistant Professor of Mathematics, Nizam College, presented Vote of Thanks.

A visit to the Institute of Genetics & Hospital for Genetic Disease(IGHGD)

We the faculty members and P.G. students visited the Institute of Genetics & Hospital for Genetic Disease on 2nd December 2021. Their staff gave us a vast idea and knowledge of the various genetic disorders and the advanced technologies used in the treatment. They explained different types of Mental retardation, In born errors of metabolism, Chromosomal disorders, X-linked mental retardation, etc. We divided the students into 5 batches and allotted them clinical genetics, cytogenesis, clinical biochemistry, molecular biology and environmental toxicology. Our students actively interacted with their faculty and gained

Developing the communication skills among the U.G and P.G students

As a part of departmental activities, we conducted a communication skill development session in the department to enhance the English-speaking skills of our beloved U.G and P.G zoology students. The session was complemented by the faculty of the English department. This session became very interactive and the students enjoyed it thoroughly. The positive feedback from the student's boosted us to conduct more of such classes.

Swachh Bharat 03-10-2019

Swachh Bharat was launched by the government of India to manage waste disposal and sanitation by ensuring hygiene across the country. We the Department of Zoology, Nizam College took part in this program to maintain neatness and cleanliness on the department premises. There were 30 participants. The students of M.sc zoology as well as the teaching and non teaching staff participated. We cleaned the department and provided washing soaps, detergents, and disinfectant liquids in the laboratories and toilets. We also installed dustbins in every corner of the department to ensure the effective disposal of waste.

EDUCATIONAL TOUR

Out of many departments' academic activities, we are very happy and proud of our visit/field trip to the Marredumilli forest in the east Godavari. This Educational tour as a part of academics became successful by the volunteer participation and contribution of P.G Students and faculty. (We visited the forest area of marredumilli for 2 days) We took the assistance of a forest guide and local botanist to navigate and address the flora and fauna species residing in the forest. We divided all the students into a few groups and assigned them to collect the floral, faunal, and soil samples in the given quadrant

Reward Me Program – For final year students

TO WHOMSOEVER IT MAY CONCERN

Dear Sir / Madam,

Your students are a reflection of the institution they represent. As they graduate from college and enter the corporate world, their success is the true measure of your success. We, at Procter & Gamble, want to help your students look their corporate best ensuring that they put their best foot forward every single day!

P&G is one of the largest consumer goods manufacturers in the world with some of the world's most loved brands such as Gillette, Pampers, Whisper, Ariel, Tide, Pantene and Head & Shoulders. Established in 1837 P&G has touched the lives of over 4.4 billion people around the world.

With the purpose of improving consumers' lives in small but meaningful ways P&G conducts a number of programs that reach out directly to the users of its brands. We conduct School programs to educate over 4 million young girls and their mothers about menstruation and female hygiene every year. Our Pampers hospital program reaches out to over 5 million new mothers to educate them on diaper usage and its benefits.

Today, we are here to talk to you about our University program that aims to provide your students what they need the most at this stage in their life – the confidence to do well in the real world. Your students will not only learn about how best they can groom themselves, they will also be able to clarify their doubts by interacting with our grooming consultants. Not just that, we will give out kits containing all these products to them.

P&G has been conducting this program for some of the most premier institutions in India including the IIMs. Now, it's your turn to bring the program to your students by hosting us in your college.

As our Authorized agency, we authorize **Wings Brand Activations Pvt. Ltd** to conduct a "Reward Me" grooming program for P&G Brands, in Schools / Colleges and Universities for final year students.

We hereby request your permission to conduct this program.

Thanks,
Procter & Gamble Hygiene and Healthcare Limited*

Developing technical skills for non-teaching Staff (lab Assistants):

The success of a good Department not only depends on the faculty but also on the technicians who can run the department behind us. So, we also focused on developing the technical skills of our lab assistants by providing adequate information about the computer technologies and handling it. Now they are very good at handling the lab equipment as well

Developing the Analytical skills for non-teachingstaff (Lab technicians):

The lab technicians are with enough knowledge in maintaining the lab equipment but still, we focus more on their analytical skills, chemical and reagents preparation skills, and advanced knowledge of every upcoming technique. We take their help in every laboratory by assigning them the work of preparing reagents, chemicals needed, calibration of equipment, etc.
